I-500 Parking Committee

Camping Rules

1. The first permit must be posted in a visible location at all times.
2. The second camping permit is for coming to and leaving from the I-500 grounds and must be visible when in the camping area.
3. No slide-outs or camper extensions can be used and/or must remain in the closed position if the camping unit is equipped with the slide-out feature.
4. Electricity is only provided in the first row (not the second) and is limited to one (1) outlet per camper.
5. Only vehicles with a visible camper permit will be allowed in the camping area on race day.
6. Camper must be centered, as close as possible, on the site number and must not be closer to the thoroughfare than the bucket provided by the I-500 Project, Inc.
7. The bucket shall not be moved.
8. The I-500 Project, Inc. is not responsible for lost, stolen articles or damaged property.
9. Campers must be removed from I-500 property no later than one (1) week post-race. Failure to remove the camper within this timeframe will result in the loss of camping privileges.
10. All propane tanks must be secured (tied down).
11. Only wood may be used to secure campers. Concrete blocks or bricks are not permitted.
12. Fires may only be in fire rings or steel barrels not exceeding 2' x 3'.
13. Tents, Temporary Shelters, Easy Up Tents, Etc are not permitted.
14. ORV's, ATV's, Snowmobiles are not permitted in camping area.
15. Pets are not permitted in the camping area.
16. All Camping Permits must be picked up from the Parking Office no later than Friday February 1st @ 4pm
17. Failure to follow any of the rules indicated above will result in the loss of camping privileges.
18. No refunds will be issued for any reason.
